

LONESAFE – THE LONE WORKER PROTECTION E-LEARNING COURSE

Six modules dealing with all aspects of Lone Working

CTR Services Ltd has developed a unique E-Learning course specifically designed for our clients, that need to provide a “Duty of Care” to their lone workers on top of the existing protective services we provide. This concept provides the total holistic approach whilst remaining cost effective and overlapping in the blanket of safety you deliver to your employees.

The 6 modules cover:

What is a lone worker?

What are your responsibilities as an employer?

How to carry out a risk assessment

What are the personal security issues when working alone?

What are the considerations when working with the public alone?

Considerations when working from home

How to monitor lone workers
